New Business: Dale asked about current President. If she cannot continue her duties, would it be appropriate to have an election. The discussion concluded that to replace her would require too many obstacles and we need to have an election for new officers anyway. Maricela commented that the District does not allow for employees to hold PTA office that would require handling of monies, but they can hold office otherwise. It was determined that we would open nominations and if possible, hold elections for next school year at next meeting.

A discussion was held regarding closing and consolidation of dormant accounts. This item will be put on next month's agenda.

Janine Padilla for 8th grade reported that they are taking all students who can make it to Fantastic's on May 20th from 5-9.
