Zelle was an effective component, if a little slow. There was a parking incident. TUSD School Safety locked up the gates stranding two cars. One of the owners, Michelle Mindala returned for her car on Saturday. She complained and Margaret Bly made an executive decision as a goodwill gesture to reimburse Ms. Mindala the \$57.58 for her expense in calling an Uber. Dale Lopez moved that the reimbursement be made from the general fund. Maricella Carranza seconded the motion. There being no further discussion, the motion carried without opposition.
