	Welcome & Purpose
DISCUSSION NOTES	SCL welcomed attendees and stated the purpose of the Family Engagement team- to strengthen connections between school and families to support student success.

## IV. Noche de Estrellas

	Noche de Estrellas
DISCUSSION NOTES	The team discussed the upcoming Noche de Estrellas STEM night on April 10 <sup>th</sup> and the intended purpose that it is just the beginning of ongoing opportunities for families to engage in science activities that foster critical thinking, pattern recognition, and curiosity. Attendees talked about their personal experiences with science growing up and how they try to foster interest in science in their students/children. SCL noted that the Noche de Estrellas will feature UA Astronomy Club, UA Optics Lab, and Tucson Ghostbusters. Ms. Silva Cereceres noted that students should have opportunities to teach their parents about what they're learning in school. Ms. Cintron shared that she will oversee an activity where students can examine objects under a microscope. Mr. Durazo will potentially oversee a project with mapmaking. Ms. Silva Cereceres will oversee additional problem-solving activities.
RESOLUTION	SCL will talk with 3 <sup>rd</sup> grade teachers about possibility of having a mapmaking activity at the event led by Mr. Durazo and what supplies will be needed.  Ms. Silva Cereceres will speak with teaching teams during their planning time

	<p>about what activities they will provide.</p> <p>Ms. Lopez will distribute fliers to families.</p> <p>Ms. Cintron will identify students to help lead the microscope activity.</p>
