IV. Noche de Estrellas Debrief

	Noche de Estrellas Debrief
DISCUSSION NOTES	Students loved the Tucson Ghostbusters. The Ghostbusters area was definitely the most popular. The University of Arizona School of Optics and Astronomy Club were also very successful. Ms. Silva recommended inviting them to visit next school year when teachers are doing astronomy units. This will help build anticipation for Noche de Estrellas. The math games were also successful. Ms. Roche shared with the CSL that next year it would be helpful to have a volunteer assigned to each game, so that different students/families can play different games concurrently. Ms. Cintron's microscope activity was very well attended.
RESOLUTION	The Family Engagement team will begin planning for Noche de Estrellas next year and solicit teacher input.

V. Focus Group Planning
